

1. Print this page on cardstock.
2. Score with ruler and exacto blade (use black lines as guide).
3. Fold and trim edges.
4. Punch edge and heart holes and through both layers (indicated in black).
5. Open and punch pink holes through front of card only.
6. Embroider using page 2 as a guide.

Embroidery Guide

I used tape to secure my thread on the back. I also didn't use any specific method or direction for sewing as the back will not show. The most important thing is not to miss any lines.
